

Important Message to dog owners

Any dog owner must obtain a license, which can be purchased at a cost of \$ 10 from the municipal office, starting March 1st, 2020.

Once purchased, the cost of the license will automatically be charged to your tax account for subsequent years. The license is not transferable to a new animal, in which case a new license must be obtained.

The owner of a dog, who is renting in the municipality must, before March 1 of each year, renew the license for this dog at the municipal office!
